Dear Gary,

As information, Phillip Morris is placing a Marlboro sign hanging from the ceiling in front of the carton rack at all Finast stores. The PM representative states that this has been authorized by your office.

Gary, at Finast #8, PM placed the Marlboro sign on May 6, 1997 in front of our carton rack. To my knowledge, the placement of the Marlboro sign in front of the carton rack was not part of the Ahold agreement.

Gary, your help in clearing up the confusion at retail would be appreciated. Please let me know what action will take place regarding the Marlboro signs. Thank you for your help. Should you have questions, please contact me.

Sincerely,

Renee M. Duszynski
